

COORDINATED FAMILY &
COMMUNITY ENGAGEMENT PRESENTS

Drive thru RESOURCE & LITERACY EVENT

WEDNESDAY
AUGUST 26
10 AM - 12 PM

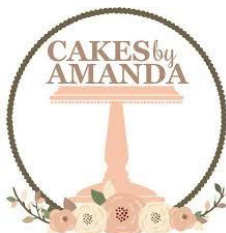

Families will remain in their cars as they drive thru this resource fair to receive a variety of treats and info on virtual programs from many of our community partners! MOC CFCE will be handing out books to build each child's early literacy home library!

Vehicles will enter at the Allen Harding Estate main entrance, off of Rt. 122. The street name for that part of 122 is West St. If you enter 40 West St., Barre - the GPS will bring you directly across from the estate entrance, There will be plenty of signage directing cars where to go.

Many thanks to our partners!
